# St. Tropez

A flat sandal that is a world-wide hit!. It's an elegant shape that takes you to the beautiful beaches of the south of France.

The You St. Tropez is the right option for people that want to match cool, effortless chic modern trends with warm and vibrant colours.

# You Trancoso Premium

This model is Havaianas' NEW slide-to-wear flat sandal, with a special twist thanks to its zigzag print and metallic logo on the straps. It's the perfect style for those who are craving a good dose of sophistication, but not willing to give up comfort. Your ideal city companion all summer long.

# You Floripa

A new shape that will turn everyone's head! With its "V" shaped straps and elastic band on the top, this style is the perfect addition to a sophisticated summer look.

# You Trancoso

You Trancoso is a youthful piece, which features a cheerful palette inspired by the colourful Memphis movement from the 80's. It's versatile and may be worn on any occasion.

# Urban Fusion

This new style is all about feeling free and loose. It's designed for those who need some chill vibes, it has a thicker strap and 3 different colour combinations that make every outfit look urban, uncomplicated and cool.

# Urban Way

This new style is ideal for men who like to follow the latest fashion trends. In classic brown tones, this season's hit colour, goes with any outfit and the thicker three-tone straps with laminated fabric are a more robust silhouette for the latest masculine model.

# Espadrilles Mule Eco

An absolute hit, these models are coming in hot in this collection! With recycled fabric and an elastic detail on the inside, the Eco Mules are now even more comfortable, and have a sleeker, more stylish feel. Available in four beautiful colors, including black and coral, to match the latest trends.

# Espadrilles Eco

Havaianas espadrilles are genderless and suitable for any occasion. Now made with recyclable material, with a modern modeling and internal structure that provides a perfect fit, the new Havaianas Espadrilles Eco will bring a relaxed touch to any outfit.

# Espadrille Mule Loafer Platform

This model features an open back part and a palette that follows the trend of candy colors. It's made of suede to bring ultimate sophistication to any urban look.

# Slim Platform

Fashionable and comfortable? Leave it to the Slim Platform! In this collection, Havaianas was inspired by the trend of pastel tones to create new beautiful models with a 3-centimeter sole. For those who want to get a little taller and still be comfortable – and stylish!

# Sunny II

A classic is born! Havaianas Sunny is a simple, delicate, comfortable new model inspired in the classic Slim flip flops, but it features a closed strap that makes feet feel more secure when spending all day in their Havaianas.

# Slide Brasil

Another innovation in the Brasil family! Havaianas Slide Brasil unites the fashion cred of a slide with Havaianas' DNA. They come in several colours and, of course, with their characteristic Brazilian flag.

# Brasil Layers

Havaianas Brasil Layers are pure “brazilianness”. It’s a fashionista evolution of the Brasil family, with a layered side and the characteristic flag in a metallic finish. And what’s more, this model features a palette in neon colors (a worldwide trend), giving a modern look in sync with the latest fashion guides.

# Top Logomania Multicolor

Did somebody say colour explosion? Havaianas Top Logomania Multicolor takes the trend of logos to a whole new level, mixing it with the aesthetic of color blocking, which is also on the rise. It comes in five beautiful models, with color blocks that merge with the rubber in a gradient of tones as the result of a brand new technology from Havaianas.

# Top Logomania Multicolor

Did somebody say colour explosion? Havaianas Top Logomania Multicolor takes the trend of logos to a whole new level, mixing it with the aesthetic of color blocking, which is also on the rise. It comes in five beautiful models, with color blocks that merge with the rubber in a gradient of tones as the result of a brand new technology from Havaianas.

# Sparkle

Wanna shine a little brighter? Havaianas Slim Sparkle can help with that! In addition to the thin shiny straps, its sole comes with a glittery explosion. And what's more, it's all applied with a gradient effect!

# Top Verano

Havaianas loves summer, that is why we need a model specially dedicated to this amazing season. The new Havaianas Top Verano features thicker straps embellished with super colourful prints inspired by the Memphis trend and a pop up metallic logo, contrasting with a colourful layer.

# Brasil Fresh

Inspired by the trend of gradient colours, Havaianas Brasil Fresh brings the traditional Brazilian flag on a beautiful background of sprayed effect! It comes in four models of vibrant colour combinations, such as pink with purple or neon green with blue.

# Classics

Havaianas flip flops are democratic, versatile, classic, comfortable and colourful. They fit everyone's tastes: from basic to fashionable, from neutral to vibrant and they are perfect for those who love collecting footwear as we drop new colour palettes every season. Check out this year's new colours!

# Kids & Baby

The cutest Havaianas you will ever see! Our kids and babies collection features bright colours and fun playful prints that people will want to see on their kids feet. Also, our collection is filled with awesome licenses so that the youngest members of the family can have their favourite characters by their side on their greatest adventures.
